

Dear all,

An appeal for the loan of Police Uniform; prior to amalgamation in 1968.

I have received a request from Gwen Moseley-Jones, previously employed as an SDO clerk at Aberystwyth. She has been tasked with obtaining artefacts for a display this year in the Police tents at the Royal Welsh Show, at Llanelwedd, Builth Wells, and at the National Eisteddfod at Llantood, near Cardigan.

She is ideally looking for uniform/equipment which was used in the constituent forces prior to amalgamation in 1968, or photographs or documents from that time.

I have told her that there is unlikely to be much available after 58 years, but that I would arrange for her appeal to be circulated to members to see if anyone can assist Gwen in her quest.

All items are returnable.

If anyone is able to assist, could they please contact Gwen on
